**Re: *Morris o/b/o Ms. Vitaloney Vasquez v. Saul*, 20 Civ. 7017 (PAE) (SLC)**

Dear Judge Cave:

This Office represents the Commissioner of Social Security (“Commissioner”) in the above-referenced action pursuant to 42 U.S.C. § 405(g), challenging a decision by the Commissioner to deny plaintiff’s application for program benefits.

I respectfully write to request a thirty-day extension of the Commissioner’s time to move for judgment on the pleadings, from June 14 to July 14, 2021. The extension is necessary as this matter was reassigned to me only yesterday, and I have competing deadlines in the short term. This is the Commissioner’s first request for an extension of the briefing schedule. I also respectfully request an extension of the limit of twenty-five pages on the length of the moving brief to thirty-five pages. The additional pages are necessary for a complete discussion of the administrative record, which is voluminous. The *pro se* plaintiff consents to both requests.

I thank the Court for its consideration of the relief requested herein.

Respectfully,

AUDREY STRAUSS  
United States Attorney
